# MESSAGE FROM RECTOR

## **KIRGIZBAYEV ABDUGAFFOR KARIMJANOVICH** **UNIVERSITY RECTOR**

---

Dear Students ,

It is my great pleasure to extend a warm welcome to all our esteemed medical students from India who have chosen Namangan State University as the foundation for their academic and professional journey.

Your presence enriches our university with cultural diversity, global perspective, and academic excellence. We deeply value the trust you and your families have placed in us. At Namangan State University, we are committed to providing high-quality medical education, modern facilities, and a supportive learning environment that enables you to achieve your fullest potential.

We understand that studying abroad comes with both opportunities and challenges. Please be assured that our faculty and administration are dedicated to supporting you not only in your academic pursuits but also in your personal well-being. We encourage you to actively engage in university life, embrace new experiences, and build lifelong connections.

As future medical professionals, you carry the responsibility of serving humanity with knowledge, compassion, and integrity. We are confident that your time here will prepare you to make meaningful contributions to healthcare systems across the world, including your home country, India.

I wish you success, good health, and a rewarding academic journey.

With warm regards,

**Rector**  
**Namangan State University**

# ABOUT UNIVERSITY

Namangan State University (NamSU), a government educational institution, was established in the year 1942 as a pedagogical institute. It is situated in Namangan province which has almost 6.7million population with 7,900 km<sup>2</sup> area located in eastern part of Uzbekistan, considered one of the strategically important areas.

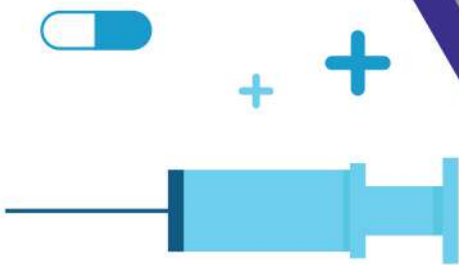

Namangan State University in accordance with the Decision of the President of the Republic of Uzbekistan dated 24.12.2021 "On measures to grant financial independence to state higher education institutions" No. PQ-61, higher education institutions granted financial independence included in the list.

NamSU is in cooperation with 3 higher educational institutions of the Russian Federation (Russian State Pedagogical University named after A. Gersen, Ural State Medical University, and Russian University of Biotechnology) in 7 undergraduate courses / educational programs are offered.

# THE BEST MEDICAL SERVICES

## ABOUT FACULTY OF MEDICINE

Namangan State University, located in the vibrant city of Namangan, Uzbekistan, boasts a distinguished Faculty of Medicine. Established to meet the growing demand for qualified healthcare professionals, the faculty is committed to providing high-quality medical education that combines theoretical knowledge with practical skills. The Faculty of Medicine offers a variety of undergraduate and graduate programs designed to equip students with the necessary competencies for a successful career in the healthcare sector. Key programs include:

### General Medicine/MBBS:

A comprehensive program that covers essential medical sciences, clinical skills, and patient care.

### Master's Programs:

Advanced studies in various medical specialties, allowing graduates to deepen their expertise.

### Residency Training:

Specialized training for medical graduates to gain hands-on experience in their chosen fields.

# THE CURRICULUM

The curriculum at Namangan State University's Faculty of Medicine is designed to be rigorous and comprehensive. It includes:

## Basic Medical Sciences:

Courses in anatomy, physiology, biochemistry, and pharmacology.

## Clinical Training:

Hands-on training in hospitals and clinics, providing real-world experience in patient care.

## Research Opportunities:

Students are encouraged to engage in research projects, fostering critical thinking and innovation.

# THE BEST MEDICAL SERVICES

## FACILITIES AND RESOURCES

*The Faculty of Medicine is equipped with modern facilities, including:*

1. State-of-the-Art Laboratories: Well-equipped labs for practical training in various medical disciplines.
2. Clinical Skills Center: A dedicated space for students to practice clinical skills and simulations.
3. Library and Learning Resources: Access to a vast collection of medical literature, journals, and online resources.

## FACULTY AND STAFF

The faculty comprises experienced educators and healthcare professionals who are dedicated to nurturing the next generation of medical practitioners. Many faculty members are actively involved in research and clinical practice, ensuring that students receive education grounded in current medical practices. In addition, Indian teachers are available full time for Indian students studying at faculty of Medicine.

Namangan State University and its associated hospitals is a wide network of well-established hospitals that provide excellent clinical training opportunities for medical students. The university is associated with 35 hospitals in total, including 25 government and 10 private hospitals, offering a combined capacity of 9,583 beds. This extensive hospital Network ensures that students gain hands-on experience across diverse medical cases and specialties, enhancing their practical knowledge and clinical skills. Such strong healthcare partnerships play a vital role in preparing students to become competent and confident medical professionals.

# FMGE CLASSE

COACHING  
PARTNER

## INTERACTIVE FMGE CLASS SESSION

FMGE classes for Indian students at the Faculty of Medicine at Namangan State University, conducted in collaboration with university partner KIMS MBBS LLC, providing a highly structured and result-oriented approach to exam preparation. These sessions are led by expert Indian professors who bring extensive experience in coaching students for the FMGE, ensuring that the teaching aligns closely with the latest exam pattern and syllabus. Students benefit from comprehensive lectures, concept-based learning, frequent assessments, and intensive revision modules that strengthen both knowledge and confidence in examination. The partnership with KIMS enhances the overall learning experience by offering specialized resources and mentorship, creating an environment where students can systematically prepare and stay motivated to achieve success in the FMGE and their future medical careers.

Namangan State University Hostel is equipped with well-furnished rooms, Kitchen, bathrooms and toilets. Hostel is secure and under surveillance. The hostel Serves as an ideal place for accommodation facility for International Students. The hostel is located within the university premises with free Wi-Fi facility to students.

# Indian Mess

Namangan State University (NamSU) Faculty of Medicine provides Indian food, including vegetarian and non-vegetarian options, through a dedicated Indian mess facility for its growing Indian student population. The hostel facilities provide hygienic, home-style Indian meals prepared by Indian chefs, catering to the specific tastes of students from India.

## Key Details

Regarding Indian Mess & Food:

**Menu & Diet:** Offers dedicated Indian cuisine catering to both vegetarian and non-vegetarian preferences.

**3 Time Meal:** Breakfast+Lunch+Dinner

**Hostel Facilities:** Separate, secure, and hygienic hostels are available.

**Cost:** The annual fee for the Indian mess is approximately 1,200-1,500 USD.

**Environment:** The campus supports a large community of hundreds of Indian students.

**Cooking Options:** In addition to the mess, students often have access to self-cooking kitchens if they wish to prepare their own food during outside mess hours.

# Student Life

Student life at the Faculty of Medicine at Namangan State University is both challenging and rewarding, combining academic rigor with personal growth. Students engage in intensive coursework, practical laboratory sessions, and clinical training that help them develop strong medical knowledge and skills.

Beyond academics, the university provides a vibrant environment where students participate in cultural events, sports activities

and student organizations, creating a balanced lifestyle. Friendships formed during long study hours and group projects often become lifelong bonds. Despite the demanding schedule, students are motivated by their passion for healthcare and the goal of serving society, making their

journey both meaningful and fulfilling.

Namangan, one of the most beautiful and culturally vibrant cities in Uzbekistan, renowned for its greenery, hospitality, and rich traditions. Namangan offers a welcoming and Peaceful environment that is ideal for students pursuing Higher education. The city blends modern infrastructure with historical charm, featuring scenic parks, bustling local markets, and a safe, student-friendly atmosphere that makes it a preferred destination for International learners.

One of the most celebrated highlights of the city is the annual Namangan International Flower Festival, a spectacular event that transforms the city into a vibrant display of colors and creativity. During this festival, streets and parks are adorned with millions of flowers arranged in stunning artistic patterns, attracting visitors from across the country and beyond. For students, the festival provides a unique opportunity to experience the local culture, participate in festivities, and enjoy the lively spirit of the community.

Enhancing the appeal of the city is Namangan State University, a prestigious institution known for its commitment to academic excellence and innovation. The university offers a supportive learning environment, modern facilities, and experienced faculty dedicated to shaping future professionals. Its Faculty of Medicine, in particular, provides high quality education with a strong emphasis on practical skills and global standards

Together, the charm of Namangan city, the cultural richness of the Flower Festival, and the academic strength of Namangan State University create a truly enriching experience. Students not only gain quality education but also become part of a vibrant cultural landscape, making their journey both memorable and rewarding.

Namangan State University fosters a vibrant multicultural environment where Indian students feel at home by actively celebrating a wide range of Indian festivals and cultural events. Festivities such as Diwali, Holi, Eid al-Fitr, and Navratri are observed with great enthusiasm, bringing together students from diverse backgrounds. These celebrations include traditional music, dance performances, cultural programs, and festive meals, allowing students to stay connected to their heritage while sharing it with others. The university's support for such events creates a sense of community, promotes cultural exchange, and ensures that international students enjoy a lively and inclusive campus life alongside their academic journey.

# CLIMATE OF NAMANGAN, UZBEKISTAN

Located in the fertile Fergana Valley, Namangan experiences a pleasant continental climate that makes it comfortable and welcoming for foreigners throughout the year. The city enjoys four distinct seasons, each offering its own unique charm. Summers are warm and sunny, typically ranging between 25°C to 35°C, providing bright and energetic days, while winters are mild to moderately cold, with temperatures usually between -2°C to 8°C. Spring and autumn are particularly enjoyable, with moderate temperatures, blooming landscapes, and fresh air that enhance the overall living experience.

As part of Uzbekistan, Namangan benefits from relatively low humidity and plenty of sunshine, creating a healthy and comfortable environment for academic pursuits. Rainfall is moderate and mostly occurs during spring, contributing to the city's lush greenery and scenic beauty. The pleasant weather not only supports focused studies but also encourages students to engage in outdoor activities, cultural events, and exploration.

With its balanced climate, clean environment, and seasonal variety, Namangan offers an ideal setting for international students. Combined with the academic excellence of Namangan State University, the city ensures a comfortable, safe, and enriching experience for students throughout their educational Journey.
